SUBJECT: Approval of the Enterprise-wide Access to Networks and Collaboration Services (EANCS) Reference Architecture (RA)

The EANCS RA was developed in partnership with many of your organizations to provide Department level guidance for implementing enterprise-wide access to networks and collaboration services capabilities (e.g., Global Authentication, Access Control, and Directory Services). The EANCS RA has been endorsed by the DoD Enterprise Guidance Board and is now approved by the DoD CIO for use across the Department. Please ensure your organization's conformance to this reference architecture.

The EANCS RA is posted at the DoD CIO website: <http://cio-nii.defense.gov/>. The DoD CIO point of contact for this matter is Mr. Martin Costellic at email: Martin.Costellic@osd.mil, 703-602-0866.
