

DoD CYBER WORKFORCE UPDATE

CONTROLLED UNCLASSIFIED INFORMATION

May 2020

DoD 8140 Series Update

- The Directive is moving into the Security Review stage before going up for signature.
- The Instruction will transition to WHS for review, once the final non-concur is resolved.
- The Manual is undergoing a final review before advancing into coordination.

DoD CIO Cyber Workforce Management Board (CWMB)

When: 22 May 2020, 1400 - 1500

Where: **Details will be sent to Principal-level attendees**

DoD CIO Leadership in Action

Principal Deputy DoD CIO to retire; Intelligence Community CIO to step in: Ms. Essye Miller, Principal Deputy Chief Information Officer and former acting DOD CIO, is retiring at the end of June after 35 years of federal service. Ms. Miller started her career as an Air Force intern and has since worked her way up the ladder in DoD. Mr. Deasy stated "I am personally grateful that I had Essye serve as my Principal Deputy because of the true passion she brings to the role. She has been a highly valued trusted advisor to me. Ms. Miller is without a doubt an inspiration to many and her dedication to the mission and leadership style will be missed throughout the Department."

Mr. John Sherman will become the Principal Deputy CIO upon Ms. Millers departure. Mr. Sherman is currently serving as the CIO of the Intelligence Community, where he leads modernization efforts across the information technology enterprise.

CDC Interim Guidance for Coronavirus Disease 2019 (COVID-19) as of 4/30/2020

Large events and mass gatherings can contribute to the spread of COVID-19 in the United States via travelers who attend these events and introduce the virus to new communities. Examples of large events and mass gatherings include conferences, festivals, parades, concerts, sporting events, weddings, and other types of assemblies. These events can be planned not only by organizations and communities but also by individuals. **Article:** [CDC Interim Guidance for Coronavirus Disease 2019 \(COVID-19\)](#)

Note- In accordance to CDC guidance to avoid gatherings of 10 or more, the following event(s) has been updated to a virtual participation:

Recruitment: Hiring Events for Cyber Workforce Positions

May 2020

[TECHEXPO Virtual Hiring Event \(May 2020\)](#)

Development: Events for Professionals, Managers, & Staff

May 2020

[Think Digital 2020 \(Virtual May 5-7\)](#) Learn about the latest advancements in open technologies from hybrid multicloud to data and AI to next-generation cybersecurity. Interact with the luminaries who are using this tech to transform our lives. Root your reinvention in this year's reimagined event experience.

June 2020

[The Identity Industry \(Virtual Conference 2020 June 8-11\)](#) Join us as we pivot THE Identity Industry Conference into a series of **virtual events** featuring all of the same identity experts! The brightest minds in the Industry will converge here to experience unparalleled education, collaboration and insight into the future of Identity. Through our series of information-rich sessions on the latest technologies, best practices and industry trends, you will gain an edge in the ever-changing identity security landscape.

July 2020

[RSA Conference 2020 \(Virtual Event July 15-17\)](#) Connecting with your peers to discuss the latest cybersecurity information is vital to confronting cyberthreats now more than ever. That's why we're pleased to be able to offer RSA Conference 2020 Asia Pacific & Japan as a **free virtual learning experience**. From 15-17 July, during Singapore business hours, you'll have access to dozens of timely and relevant sessions covering regional and global cybersecurity issues, networking opportunities, interactive programs and more.
