

DoD CYBER WORKFORCE UPDATE

CONTROLLED UNCLASSIFIED INFORMATION

August 2020

DoD CIO Cyber Workforce Website

In coordination with subject matter experts across the Department, the DoD CIO developed terminal learning objectives that align to the DoD Cyber Workforce Framework (DCWF).

You can now download the [DoD Cyber Training Standards – Guidebook](#) (CAC-only), as well as both the Public [DCWF Tool](#) and [NIPR DCWF Tool](#), from the Cyber Exchange to access this information. The Guidebook is a resource for military school houses and training institutions to establish and refresh cyber curriculum.

DoD CIO Cyber Workforce Management Board (CWMB) Save the Date

When: 21 August 2020, 2-3PM

Where: [CVR TEAMS](#) (link to follow)

DoD CIO Leadership in Action

Mr. John (Jack) W. Wilmer, Deputy Chief Information Officer for Cybersecurity, will be departing in August. DoD CIO Hon Dana Deasy recognizes Mr. Wilmer for creating the first Cyber Scorecard, publishing the Cyber Risk Reduction Strategy, and driving strong progress toward mitigating the top 10 cyber vulnerabilities. Deasy said, “Some of Jack’s lasting contributions will be in the relationships that he forged between DoD CIO and other Components inside the Department.”

8140 Policy Series

The Directive was signed by General Counsel and completed Security Review. It is now undergoing a final CIO review before moving up for Deputy Secretary of Defense Signature. The Instruction has been submitted for Legal Sufficiency Review. The Manual is now formatted according to WHS requirements. The DoD CIO is now awaiting a final CWMB decision regarding the inclusion of an experience into the foundational qualification area.
